Errata to: “On distinguishing local finite rings from finite rings only by counting elements and zero divisors”
Published 05 March 2014
Marcos J. González
Departamento de Matemáticas, Universidad Simón Bolívar, Caracas 1080-A, Venezuela

- On page 109, Prof. Mahmood Behboodi has kindly pointed out to the author the following inaccuracies:
  - Abstract, line 3: the inequality ‘1 ≤ m < n’ should read ‘0 ≤ m < n’.
  - Theorem 1, line 2, the inequality ‘1 ≤ m < n’ should read ‘0 ≤ m < n’.
  - Theorem 1, line 2, the inequality ‘1 ≤ m < n’ should read ‘0 ≤ m < n’.
- On page 113, reference [2]: the word “Annale” should read “Annalen”.
